Year Book

2019

Dear Friends,

Extending a warm welcome and appreciate you taking out time to have a look at our Smile Book 2019!!

In 2017, we took the “32 Watts” Pledge:

We will develop aligners that are within the reach of great multitude. In the mass market of me-too products, we will set the benchmark for an effective, frictionless and reliable solution

We will inspire unflinching confidence among Orthodontists to recommend Aligners without hesitation and skepticism

We will be the brand most responsible for making Teeth Alignment Correction a liberating experience from a disempowering one

Come **2020**, our resolve has only gotten stronger, our treatment results are proving our expertise and our patients are beaming with confidence!

As people are becoming more and more aware of Aligners, 5 years from now Aligners will be the obvious choice over metal or ceramic braces.

At 32 watts, we have a **Total Solution Orientation, Agile Service and Affordable Pricing** that helps us deliver excellent value to our Orthodontists and patients!

We can very proudly vouch for our product quality and efficacy as is evident from our Smile Book 2019. We thank you for your continuous patronage and encouragement that has helped in establishing 32 watts as a benchmark in spreading confident smiles!

With deep regards,

Team 32 Watts
